

Indicative Summary Fees 2027-28*

Application Fee

If you would like to apply for a place at Brighton College Madrid, we ask for a non-refundable application fee¹ of €500 to process the application.

Registration Fee

Following a formal offer being made, a non-refundable Registration Fee of €3,500 is required to secure the place. This payment has to be made alongside the signature of the Parent Contract.

Entrance Fee

A deposit of €1,500 must be paid 6 months before the start of the first term. This is refundable upon request when the child leaves the school.

Re-enrolment Fee

A re-enrolment fee of 10% of the next year's tuition is made to secure the following year's seat. This fee is offset against the Autumn term fee.

Please note that if, for any reason, the acceptance of a place at Brighton College Madrid is cancelled by you less than one term (plus the holidays prior to that term) before entry or if the pupil does not join the School after a place has been accepted, the deposit will be forfeited. Where the deposit is less than one term's tuition fee, the balance will become due and payable to the School.

Additional Fees

There is a range of additional services and support offered by Brighton College Madrid, including one-to-one music, drama (LAMDA) and dance lessons, as well as after-school clubs. Details of these services can be found in our Detailed Fees Structure document which will be available on our website from Spring 2027.

Brighton College Madrid also offers a home-to-school bus service. Full details of bus routes and fees will be disclosed closer to the opening date.
